\*Vegetarian and Vegan menu available on request. We also try to have gluten free bread and options available. Please ask for a Gluten free menu. We try our best to remove any small bones in our fish, but we cannot guarantee 100% to remove all of them. Please make us aware of any allergies/intolerance and dietary need you may have as we use fresh food and we will try to cater for any of these you may have. Letting us know in advance will help us to have a larger selection of options available to you at the time.
